Caring Ministry

Augustana families,

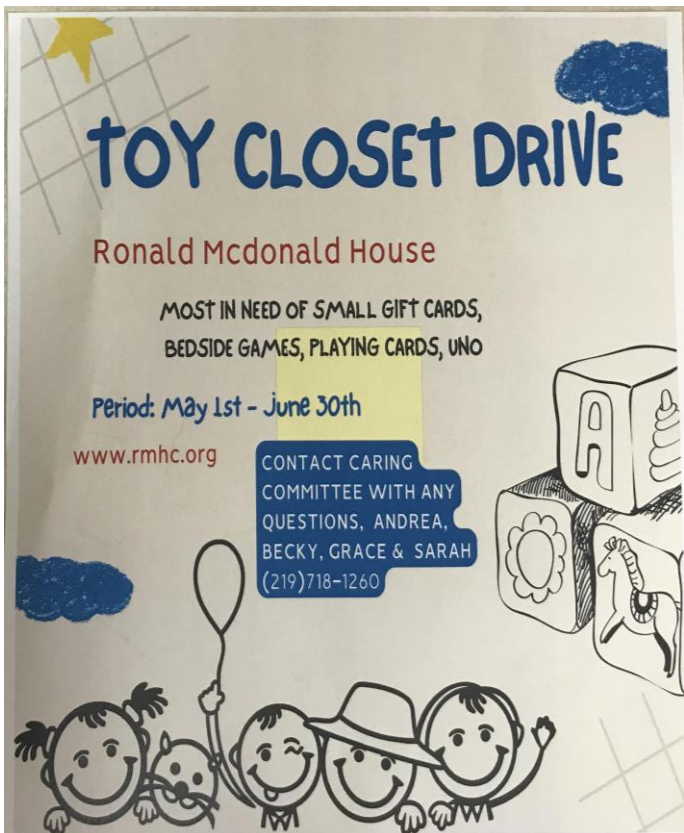

Thank you so much for collecting your aluminum tabs. It's not just an urban myth; the Ronald McDonald House really does collect the aluminum pop tabs from cans. They are able to generate thousands of dollars from pop tab collection program every year and that helps keep the lights on! That's important for the House, which is open 24 hours/day, 365 days a year. And it wouldn't be possible without the amazing support of children and adults who faithfully collect the tabs. It's an easy way to do something good and make a difference in the life of a seriously ill child.

In addition to your aluminum tabs we thought we thought we could make a donation to their toy closet. While at the house, they noted during the summer their toy closet gets bare during the summer months. Each child and sibling is able to pick a toy, gift card or game form the closet. They are in most of need for teen gifts like small gift cards or bedside card games. We will be collecting for the months of May & June. We would love to have your help in this new caring committee drive.

We appreciate your support!

Thanks,

Andrea, Becky, Grace & Sarah
