Congregation welcomes everyone-and yes, we do mean everyone.

### **Confirmation**

### **Blessing Box**

Peyton Griffith brought the blessing box to Augustana with the idea of providing food for individuals who are living in their vehicles or do not have access to kitchen appliances. When donating please consider items that can be opened easily such as soup cans with pop tabs, pouches of tuna, and items that can be resealed. We appreciate your continued support.

Caring Ministry

### **Attention Parents of College Kids**

The caring committee is looking to reach out to our Augustana members that are away at college. If you have a college aged member away at school please share their best school address with the church office. We would love to reach out to as many students as possible. Looking forward to hearing from you soon!

Sincerely,

The Caring (Committee) Ministry

### **Survey**

Thank you so much for your support with the Caring Committee. We are working hard to complete quarterly projects that will benefit the community on behalf of Augustana Lutheran Church. Our second quarter project is to send Crave Box snacks to our college students that are preparing for finals. The Crave Boxes will be sent directly through Amazon, which avoids postage fees. We are asking for the congregation to complete a brief survey of four questions that will help guide us with our work as we serve the community on behalf of our church. The link is connected to a Google Form, which allows the members of the Caring Committee to view the responses immediately. Thank you so much for your input as we "care" for the community on behalf of the church. Jackie will have hard copies of the survey for anyone that does not have access to the online version of the survey.
